This recital is being held for your children and all of their friends and relatives to come and see them perform what they have learned in class. This is a great experience.

The children will perform in front of a large audience. This exercise helps to build confidence and increase their self-esteem. This also greatly prepares them for our main competitions, should they decide to continue this program during the fall semester. We strongly advise everyone to attend this recital as it greatly helps the children to overcome their fears of performing. The students deserve a chance to show off!
